

Range End Golf Club
2012 Junior Program

Range End Golf Club enjoys the opportunity to provide juniors, 17 years of age or younger, a reasonable rate for golf at our facility.

Juniors will be permitted to book tee times ONLY after 5:00 p.m. on the day prior to the day of play.

Juniors in this program are not permitted to play before 10:00 a.m. on Saturday, Sunday, or holidays, unless they are accompanied by a full paying guest.

Juniors are expected to have a basic knowledge of the rules and golf etiquette. Our friendly staff will be more than helpful to answer any questions.

The purchase of a Junior Program pass for \$75.00, entitles the junior to a reduced green fee of \$11.00 for either 9 holes or 18 holes of golf each day. A \$9.00 cart fee is added if using a cart. Must have a driver's license to operate golf cart.

A parent's signature on this information sheet indicates that they have read the above rules and regulations and that they will assume all responsibility for their child's conduct and safety while engaged in any activities connected with the Junior Program at Range End Golf Club.
